RE: Price Increase Effective July 17, 2017

To Our Valued Customers:

Super Stud Building Products will be raising prices 10% on all steel products effective July 17th, 2017.

Domestic steel mills in the month of June have announced two price increases. These increases are a result of the Section 232 investigation (National Security) that will limit the amount of foreign steel coming into the United States. The remainder of the year we feel further increases will follow.

Super Stud will honor all **UNEXPIRED** quotes in accordance with our quote policy. Please contact your sales representative to review your pending job quotations.

If you have any questions regarding the price increase or escalators please contact your Super Stud Building Products Sales Representative.

Thank you for your business and continued support.
