Re: Price Increase Announcement

CertainTeed Gypsum is announcing a 15% price increase on all ProRoc® gypsum board products effective with shipments on January 11, 2010. This increase will apply to all US and offshore shipments. GlasRoc® products are not included in this increase.

We would like to thank you for your support and understanding as these challenging business conditions continue. This increase is necessary so that we may continue to provide you with our preferred products and service.

Questions concerning pricing of future projects will be communicated through your local Territory and Regional Manager.

Sincerely yours,
