PRICE INCREASE ANNOUNCEMENT

October 30, 2026

Effective With Deliveries On or After December 1, 2026

To Our Valued Customers,

Due to continuing price increases from domestic steel producers, Marino\WARE will implement a price increase on all steel products, effective with deliveries on or after December 1, 2026.

Updated price lists reflecting changes will be published to all markets prior to the increase. As a reminder, the price in effect at the time of shipment will be the invoice price. We also ask for patience regarding quote turnaround times. The departure of a competitor, steel volatility, and healthy quote activity have led to a substantial increase in the number of jobs being quoted.

We will honor all quotations activated in accordance with our published quote policy, available at www.MarinoWARE.com/quote-policy. To ensure current pricing, please note that quotes not activated within 30 days of issuance will be reviewed and will be requoted to reflect the new price levels or canceled.

We urge you to review open job commitments with your customers and your Marino\WARE sales representative.

Please do not hesitate to contact us if you have any questions. Thank you for your continued support!

Sincerely,

Marino\WARE
