Price Increase Announcements

Dear Valued Customers,

ClarkDietrich will implement Two consecutive nationwide price increases, effective **December 1, 2026** and **January 4, 2027**.

These increases respond to continued domestic steel mill price increases and surcharges passed in the coming months.

We remain committed to providing reliable supply, consistent product quality, and competitive pricing as market conditions evolve. Updated price lists will be published to all markets before each effective date. As a reminder, invoice pricing is determined at the time of shipment.

ClarkDietrich will continue to honor all existing quotes in accordance with our latest job quote policy, which can be found at the link below: www.clarkdietrich.com/support-tools/sales-forms.

Thank you for your continued support.

Sincerely,
