Re: Price Increase June 1, 2018

Due to the continued increases in steel cost, Studco Building Systems will raise prices a minimum of 10% on all shipments effective June 1, 2018.

Studco Building Systems US LLC will continue to honor all existing quotations that have been signed in accordance with our current project quoting policy. All projects that have not been activated within our policy guidelines will be cancelled in our system. We urge distributors to review their projects with their customers and make them aware of the changing market conditions.

Please contact your sales representative if you have any questions regarding this increase.

Studco Building Systems US LLC takes this opportunity to thank you for your continued loyalty and support.

Sincerely,
