To Our Valued Customers:

Super Stud Building Products will increase prices by 15% on all steel products effective with deliveries on or after July 5th, 2016 due to domestic mill raising their prices six times since January 1st 2016.

As we mentioned in our previous letter dated March 9th 2016 In our opinion we will see additional increases throughout the remainder of the year.

Super Stud will honor UNEXPIRED existing quotes in accordance with our quote policies. Please contact your sales representative to review existing quotes for the time frame listed above

If you have any questions regarding the price increase please contact your Super Stud Building Products Sales Representative.
